Mr. Dick Hagen
General Mills, Inc.
James Ford Bell Technical Center
900 Plymouth Avenue North
Minneapolis, Minnesota 55427

Dear Messrs. Alcamo, Sabee, Wuolo, Taylor, Hagen and Ms. Meuwissen:

RE: July 9, 1992 Site Visit/Meeting

I am writing to thank you for your part in making the recent site tour and meeting concerning the General Mills site informative and useful. I believe that it was helpful for those of us who had not done so before, to meet and to have the opportunity to visit the site. The subsequent discussion helped to raise issues regarding this site that may lie before us.

I am enclosing a summary of the meeting prepared by Fred Campbell. Please let either Fred (612) 297-1799 or myself (612) 296-7776 know if there are differences in your understanding of the discussion, if you have questions or require additional information.

Sincerely,

Dagmar M. Romano
Project Manager
Response Unit I
Site Response Section
Ground Water and Solid Waste Division
